

Dear: Parent/carer,

Below is a list of some of the many resources which have been developed to support home learning for young children. We have shared some of these and many others with you so far. The Department of Education's Early Years teams have collated this list which may be useful to encourage appropriate development in nursery aged children while at home. Please check the resource before using it with your child to ensure it is appropriate to their individual stage of development (feel free to email your class teacher with any questions you may have).

- [Getting Ready to Learn - parents tab](#)  
The EA's GRtL team has developed a new parents tab with a variety of fun, play-based activities and links to support learning at home;
- [ETI remote learning advice](#)
- [CCEA home learning resources](#)  
(early years resources included in the primary section);
- [Sure Start newsletter](#)
- [Hungry Little Minds](#)  
UK government campaign - activities for children age 0-5;
- [Resources for children with SEN](#)  
developed by the EA Early Years SEN Inclusion Service;
- [RISE NI \(Regional Integrated Support for Education in Northern Ireland\) resources](#)
- [Play Matters leaflet – Coronavirus – Play Matters More Than It Ever](#)
- [Libraries NI activities for children](#)
- [Stranmillis University – ideas for active minds](#)
- [Tiny Happy People](#)  
BBC campaign - for children age 0-5;
- [BBC 3 o'clock club](#)  
These interactive videos are aimed at primary school children, however some activities may be appropriate for the younger children and the whole family;
- [Learning through landscapes](#)
- [Mr Hullabaloo](#)  
story-telling on Facebook;
- [Jo Jingles](#)  
live sing-a-long activities on Facebook (you may need to join your local group).
