

## BALLYKEEL PRIMARY SCHOOL UNIFORM POLICY

For primary aged children there is a close connection between feeling properly dressed and their general behaviour and attitude to work. Our modern functional uniform removes any peer pressure for individual styles or fashion, instils pride in our school, and is supported by parents. You will find that it's much cheaper, in that two of each item of clothing will keep your child going for the year. All pupils are expected to wear a school uniform except on non-uniform days.

### BOYS

- Yellow or black polo shirt
- Red school sweatshirt
- Grey trousers
- Dark grey or black socks
- Sensible black shoes (no coloured markings)
- Grey 'trouser style' shorts in the warmer weather

### GIRLS

- Yellow or black polo shirt
- Red school sweatshirt
- Grey skirt or pinafore (knee length) or trousers
- Grey tights or grey or white knee socks
- Sensible black shoes (no coloured markings)
- Red and white check summer dress

### P.E. Uniform

All children require PE slippers.

P.1 and P.2 do not change clothes for P.E

P.3 need shorts, a full length tee-shirt and tracksuit bottoms

P.4 to P.7 need shorts, a full length tee-shirt, tracksuit bottoms and trainers if going outside

The basic PE uniform of gutties, shorts, full length tee-shirts and tracksuit bottoms are kept in school and will be sent home for washing at the discretion of the teacher, but at least every half term. It is preferable that trainers are kept in school, but they can be taken to and from school if necessary.

### Jewellery

For health and safety reasons, the only jewellery which is permitted to be worn in school is a small flat surfaced watch (no cameras permitted), one flat surfaced ring and one plain small stud earring in each ear. No other piercings are permitted.

### Hair

Hair for **ALL** pupils must be kept neat and tidy and longer hair tied back where possible. Elaborate hair decorations are not permitted, plain bobbles, clips and hair bands only. Unnatural colours and prominent stylings (e.g. blocked dying, stripes, buzzed/razor cuts etc) are not acceptable. We do not permit hair colouring, tints, dyes, highlights, coloured braids or extreme shapes and styles where one part of the head looks very different from another part. This also means no skin fade and no hair shaven to the scalp. Lines shaved into the head are not permitted.
